- Rick West, Superintendent

II. General Discussion

A. Board Committee Reports

Curriculum and Instruction

Lindsay Baker, Board Curriculum and Instruction Committee Chair, provided an overview of the meeting held on August 11, 2026.

The Committee reviewed the recommendation to adopt FOSS as the new science curriculum resource for upper elementary grades. The resource will provide hands-on, inquiry-based science experiences and includes five years of digital access and professional learning for staff. The approximate cost for 2026–27 is \$121,559. The recommendation will move forward to the Board for approval, with professional learning planned for November.

The Committee received an update on literacy curriculum implementation and 35M funding across grades K–10. More than \$485,000 in FY26 funding has been awarded to support curriculum resources and professional development. Funding will support Wit & Wisdom, Geodes Decodables, Volume of Reading resources, and professional learning. The Arts & Letters purchase remains dependent upon FY27 35M funding, with a purchase MOU secured for October 1. Years two and three of the curriculum purchase remain paused pending future funding. Work related to grades 6–10 will continue during the school year, with Board approval anticipated in spring 2027.

The Committee reviewed recommended revisions to Board Policy 2006: Wireless Communication Devices and associated classroom screen time guidance. The policy is scheduled for a second reading at the August Board meeting.

The Committee also reviewed Strategic Plan Goals 1 and 2 and discussed the associated initiatives and action steps as the district prepares for implementation of the Strategic Plan.

Administration provided context regarding Bloomfield Hills High School's U.S. News & World Report ranking, noting a continued upward trajectory from 39th in Michigan in 2024, to 35th in 2025, and 31st in 2026, with a goal of reaching the top 20. Administration explained that the rankings rely on lagging data and therefore do not yet reflect more recent academic initiatives and improvements. Recent data show gains in math and reading performance, as well as significant growth in the percentage of students completing Algebra by eighth grade. Administration also discussed structural factors that may influence the ranking, including the annual transfer of high-performing mathematics students to the International Academy and the inclusion of alternative education programs under the BHHS school code. Math and science performance remain areas of focus, with continued emphasis on strengthening Tier 1 instruction, reviewing student achievement data, and adjusting programming and support as part of the district's commitment to continuous improvement. The topic will be a standing agenda item and focus of the Board's Curriculum and Instruction Committee.

Finance and Operations

Paul Kolin, Board Finance and Operations Committee Chair, provided an overview of the meeting held on August 10 2026. The Committee received updates from the Business Office and regarding ongoing summer construction projects. Work at Booth Center, Conant Elementary, Bloomfield Hills High School, and South Hills Middle School was reported to be progressing on schedule, with projects expected to be substantially completed in advance of the start of the school year. The resurfacing of the BHHS tennis courts has been completed.

The Committee reviewed items anticipated for the August 24, 2026 Board meeting, including the MAISL resolution, robotics contingency, Board Policy 2006: Wireless Communication Devices, classroom screen time guidance, and additional literacy curriculum resources.

An update was provided on Strategic Plan Goal 4 and associated action steps.

The Committee discussed the condition and future use of the Eastover and Lone Pine tennis courts. Due to the current condition of the courts, the Committee recommended closure and requested additional analysis to inform a future invest-or-divest discussion. The analysis will include current maintenance costs, replacement costs, utilization, scheduling and athletics considerations, potential conversion to green space, and possible partnership opportunities with neighboring municipalities. Feedback from Athletics and coaches will also be considered.

The Committee also reviewed literacy curriculum resources and available 35M funding. More than \$485,000 in FY26 funding has been awarded, with funding supporting Wit & Wisdom, Geodes Decodables, Volume of Reading resources, and professional development. Funding for Arts & Letters remains dependent upon the release of FY27 35M funding, with a purchase MOU secured for October 1. Years two and three of the curriculum purchase remain paused pending future funding.

Paul Kolin in April requested that the staircases advocated for by students Addie Sherman and Ava Stashefsky be named in their honor. Board Policy 6009: Naming School District Buildings and Facilities and Board Policy 6010: Recognitions, Remembrances and Plaques were explored at the table. Members of the Board of Education requested the administration produce a comprehensive list of existing named spaces, facilities, and other recognitions throughout the district, and expressed interest in further exploring criteria to guide naming decisions. The request will remain under consideration pending additional review.

Strategic Planning

Jason Abel, Board Strategic Planning Committee Chair, provided an update on the meeting held on August 14, 2026.

The Committee reviewed the second reading of Board Policy 2006: Wireless Communication Devices. The accompanying Board memo has been updated to include classroom screen time guidance. Discussion also included potential technology solutions for managing or restricting student devices in a Bring Your Own Device (BYOD) environment.

The Committee reviewed proposed action steps associated with Strategic Plan Goal 3 and discussed next steps related to implementation.

B. Strategic Planning Update

Rick West, Superintendent, discussed next steps for implementation of the Strategic Plan, including development of an accountability structure with key performance indicators, metrics, and a dashboard to measure progress toward the goals, initiatives, and action steps outlined in the Strategic Plan Blueprint. Board committees will review and provide feedback on the proposed measures in September, with a target of October 31 for establishing Strategic Plan and goal measures, subject to continued discussion and refinement.

The Strategic Plan goals and initiatives will be introduced to staff during Welcome Back Day on September 1, marking the beginning of implementation over the

next several years. Committee oversight will align with the respective goal areas, with Goals 1 and 2 associated with Curriculum & Instruction, Goal 3 with Strategic Planning, and Goal 4 with Finance & Operations.

C. Superintendent Goals for 2026-27 Discussion

The Superintendent presented three proposed 2026–27 Superintendent District-Wide SMART Goals, developed in alignment with the Board-approved Strategic Plan: Strategic Plan Implementation & Student Outcomes; Stakeholder Engagement, Belonging & Communication; and Financial Stewardship, Forecasting & Sustainability. The goals establish a common accountability framework focused on establishing baselines and targets, monitoring progress, responding to identified gaps, and evaluating year-end results. The goals had been refined to reflect suggestions made by trustees. The Board of Education requested a redlined version reflecting revisions to the proposed goals and key measures they initially received, so they could reconcile and see what had materially changed.

III. Reconvene @ 7:30 p.m.

The Board of Education reconvened at 7:30 p.m. and recited the pledge of allegiance.

IV. Special Recognition

A. Sutton Foster Award

Dan Hartley, Bloomfield Hills High School Principal, recognized Bloomfield Hills High School student Lillian Tang for being named a 2026 Sutton Foster Award winner at the Wharton Center for Performing Arts on May 31. Following her selection, Lillian represented Bloomfield Hills High School and the State of Michigan at the Jimmy Awards in New York City on June 22, where she joined outstanding high school musical theater performers from across the nation. The Board congratulated Lillian on this exceptional achievement and recognition at both the state and national levels.

V. Superintendent's Report

Rick West, Superintendent, provided several back-to-school updates, including a reminder for families to complete Annual Registration and encouraging families with incoming Kindergarten or Developmental Kindergarten students to complete the enrollment process. International Academy students and staff were welcomed back for the start of their school year. The Superintendent also highlighted the district's upcoming Welcome Back Day on September 1, which will include the official launch of the Strategic Plan, and shared excitement for the first day of school on September 8 and the start of the 2026–27 school year.

VI. Board President's Report

Tareq Falah, Board President, commented on Bloomfield Hills High School's state and national rankings and the importance of continuing to monitor the district's position relative to other high-performing schools. The district's recent improvement in the U.S. News & World Report state ranking was acknowledged, moving from #39 in 2024 to #35 in 2025 and #31 in 2026, while recognizing the desire for continued progress.

It was noted that rankings are one of several measures of school performance and may reflect data from prior years, creating a lag between current district initiatives and their impact on published rankings. The discussion also highlighted ongoing efforts related to AP participation and testing, academic performance, and other areas aligned with the Strategic Plan. Board members emphasized the importance of understanding the factors that influence rankings, monitoring trends over time, and continuing to focus on meaningful student outcomes while recognizing the role external rankings may play in attracting and retaining families in the community.

The Curriculum & Instruction Committee will be regularly discussing this as a topic during their monthly meetings.

VII. Public Comment

There were no requests for public comment.

VIII. Consent Agenda

A. Consent Agenda Motion

Carolyn Noble moved the Board of Education to approve the recommendations detailed in the Consent Agenda, as presented. The motion was seconded by Paul Kolin.

B. Request to Approve Minutes from the Regular Meeting of June 22, 2026

Carolyn Noble moved the Board of Education to approve the minutes from the Regular Meeting of June 22, 2026, as presented.

C. Request to Approve Minutes from the Special Meeting of June 30, 2026

Carolyn Noble moved the Board of Education to approve the minutes from the Special Meeting of June 30, 2026, as presented.

D. Request to Approve Disbursement Reports

Carolyn Noble moved the Board of Education to approve the monthly disbursement report, as presented.

E. Request to Approve Personnel Actions

Carolyn Noble moved the Board of Education to approve the monthly personnel report, as presented.

F. Request to Appoint Director and Alternate Director to the MAISL Joint Risk Management Trust

Carolyn Noble moved the Board of Education to appoint Joe Duda, Assistant Superintendent of HR and Title IX Coordinator as Director, and Jake McDermott, Director of Maintenance and Operations as Alternate Director to the MAISL Joint Risk Management Trust, as presented.

Ayes: Trustees Abel, Baker, Falah, Kolin, Noble

Nayes:

Motion Passed: 5/0

IX. Board Business

A. Request to Approve K-5 Literacy Adoption

Lindsay Baker moved the Board of Education to approve the Volume of Reading and Geodes Decodables curriculum adoption and to purchase the resources to support the program in the amount of \$238,601.91, to be paid from the General Fund supported by 35M funding, as presented. The motion was seconded by Jason Abel.

Ayes: Trustees Abel, Baker, Falah, Kolin, Noble
Nayes:
Motion Passed: 5/0

B. Request to Approve Additional Contingency - Bid Package #13: Robotics Renovations

Paul Kolin moved the Board of Education to approve an additional contingency of \$30,000 for Bid Package #13 to complete the Bloomin' West and Robotics renovations, to be paid from the Bond Fund, as presented. The motion was seconded by Jason Abel.

Ayes: Trustees Abel, Baker, Falah, Kolin, Noble
Nayes:
Motion Passed: 5/0

C. Request for Final Reading and Adoption of Board Policy Update

Jason Abel moved the Board of Education to approve the changes to Board Policy recommended by legal counsel, as presented. Paul Kolin seconded the motion.

Policy 2006: Wireless Communication Devices has undergone revisions to align with enacted Michigan legislation (House Bill 4141 and Senate Bill 495) requiring school districts to adopt policies that prohibit student use of wireless communication devices during instructional time beginning with the 2026-2027 school year.

While the existing policy limits student use during the school day, the new state law establishes more specific requirements regarding device definitions, instructional time restrictions, exemptions, and enforcement expectations.

The policy and administrative regulations will be uploaded to the Bloomfield Hills Schools Board of Education Policy Manual and Administrative Regulations.

Ayes: Trustees Abel, Baker, Falah, Kolin, Noble
Nayes:
Motion Passed: 5/0

X. Adjournment

There being no further business discussed, the meeting adjourned at 7:52 p.m.

Respectfully Submitted,

C. Pledge of Allegiance

II. Public Comment

Kirsten Ditkoff, a parent and community member, expressed her support for a ban on e-bikes and e-motos on school district property.

III. Board Business

**A. E-Bikes, E-Motos, Electric Scooters & Motorized Mobility Devices on
District Property Policy Discussion**

The Board discussed the creation of a proposed policy on electric bicycles, electric motorcycles, electric scooters, and Personal Motorized Mobility Devices. Discussion included the proposed prohibition of student use and possession of electric or motorized mobility devices on District property, safety and enforcement considerations, application across grade levels and buildings, and communication with students and families. The Board also discussed Bloomfield Township's six-month prohibition related to the use of certain electric mobility devices by individuals under age 16 and considered how the Township's approach may intersect with District practices and the proposed policy. Board members reviewed an initial drafts of the policy and administrative regulations and raised questions regarding specific provisions of its implementation.

Administration will work with legal counsel on a refined policy and associated administrative regulations, and will bring it back to the Board Strategic Planning Committee scheduled for September 18 for review and next steps. No formal action was taken on the proposed policy at the special meeting of September 11.

Fund #	Fund - The 3 rd column of the disbursement report
101	General Fund Note: The General Fund is our main fund and accounts for our P-12 activities. We use sub fund #'s to further segregate General Fund activity for analysis purposes. All of the sub fund categories rolls up into the General Fund as a whole. The payment listing identifies the sub fund, which may help further explain the expenditure. The following are subcategories of the General Fund that appear in the payment listing:
	106 Preschools
	108 PREP
	114 Federal grant activities
	124 State grant activities
	210 Athletics
	211 Clubs

510	Scholarship/Trust Funds
610	Hills Funds
810	Internal Service Fund (primarily self-insured activity)

Object #	Object Category – The 4th column of the disbursement report
	Object column has 8 digits. The firsts digit represents the type of account. For the payment listing, it will usually be a “5” for an expenditure/payment. The 2nd digit represents the object category as follows:
51xxxxxx	1 represent salaries/wages through payroll, which is NOT part of the payment
52xxxxxx	2 represent employee benefits
53xxxxxx	3 represents a Purchased Service, such as contracted substitutes and staff, legal/audit/consulting services, police liaisons, officials, etc.
54xxxxxx	4 represent a repair or rental
55xxxxxx	5 represents supplies, such as teaching supplies, energy supplies (gas, electricity, diesel fuel, food, tires, office, etc.
56xxxxxx	6 represents capital outlay. Since the establishment of the Capital Equipment Fund, seeing this category is infrequent, but may occur if someone chose this account for a small purchase that they deemed equipment.
57xxxxxx	7 represents dues, fees, including entry fees, registration fees, taxes abated etc.
58xxxxxx	8 represents payments to other districts, such as outgoing tuition

The payment listing will show some items other than a 5 for expenditures. You may see the following:

2xxxxxxx - this is a liability account that will show up if we are holding money that is refunded, a payroll garnishment or with Hills and Trust activities.

4xxxxxxx - this is a revenue account that will show up if we collected revenue that is refunded.

State Assessments Overview:

- **M-STEP:** The Michigan Student Test of Educational Progress is a required state assessment that assesses student knowledge and skills based on Michigan's Academic Standards in grades 3-8 and 11.
 - ELA Grades 3-7 computer adaptive test (CAT)
 - Math Grades 3-7 CAT
 - Science Grade 5, 8 and 11 online fixed-form assessment
 - Social Studies Grade 5, 8 and 11 online fixed-form assessment
- **PSAT:** The PSAT is an assessment that measures if students are on track to be college ready in grade 8.
 - ELA & Math multistage adaptive tests (MST)
- **SAT:** The SAT with Essay is a state required assessment that measures a high school student's readiness for college in grade 11.
 - ELA & Math multistage adaptive tests (MST)

BHS Assessment Calendar

BHS Student Growth Assessment and Data Review Plan

Spring 2026 State Assessment Overview

Important Considerations When Reviewing Assessment Data

- Each assessment represents one data point, a snapshot of student performance at a particular point in time on a particular assessment.
- Assessment results provide insight into student progress toward state standards, complementing, not replacing, curriculum-based measures.
- Decisions should be informed by multiple sources of data and evidence vs. a single data point.

Highlights:

- With grades 3-7 combined on the M-STEP, BHS has the second highest ELA proficiency rate county
- With grades 3-7 combined on the M-STEP, BHS saw strong growth in Math, with a more competitive overall performance in the county
- In grade 8 on the PSAT, BHS has the highest ELA proficiency rate in the county
- In grade 8 on the PSAT, BHS has the second highest Math proficiency rate in the county
- In grade 11, there was significant growth in performance on the Science M-STEP (3rd) and also a strong performance in Social Studies (2nd)

Insights/Wonderings

- We are not seeing the strong performance that we see on the Math PSAT in 8th grade transfer to the SAT in 11th grade
- What are some structural changes that might need to be implemented in grades 9-11?
- How can we overcome the challenges of the 8 period schedule at BHHS as it relates to Math and/or Core Subjects?
- How can we incentivise student outcomes and improving assessment processes for the 11th grade Science and Social Studies M-STEP assessments

Responding to Student Outcomes

Focus on core instruction: aligned resources, targeted professional learning, coaching, and building-level data cycles

Literacy Implementation

- Arts & Letters Knowledge Block + 95 Core foundational skills
- Aligned K–5 schedules/expectations; coaching, lab days, and teacher feedback cycles

Science Implementation

- 3–5 FOSS adoption to strengthen hands-on investigation and scientific thinking
- November teacher professional learning; science routines that build vocabulary/discourse/writing

EPC Training + Inquiry Cycles

- Elementary Program Consultants are building training around coaching and facilitation
- Building-level data cycles and inquiry: use i-Ready, M-STEP, classroom evidence, and student work to name next instructional moves

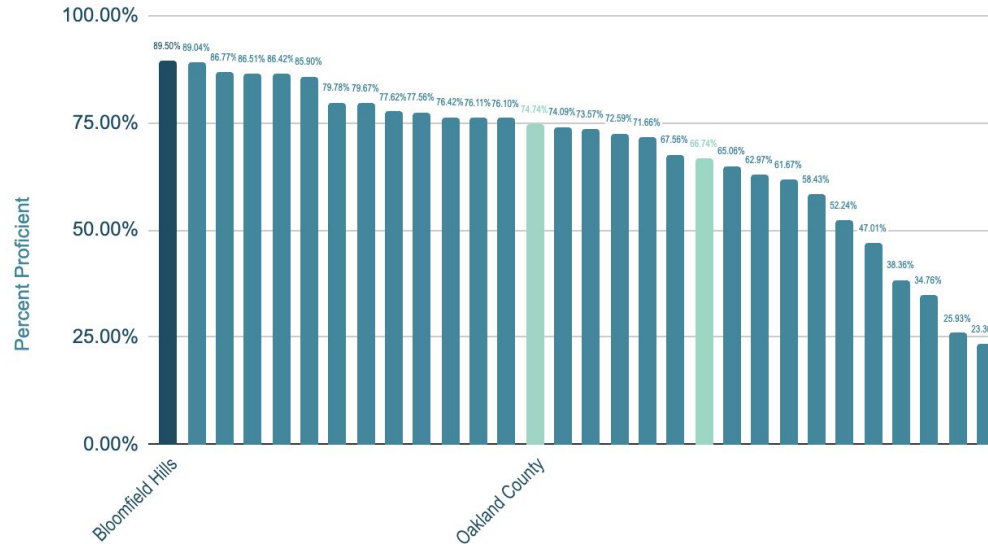

Access + Disciplinary Literacy

- Students read, write, talk, and think in every content area
- Dyslexia/access lens and scaffolds so more students can participate in rigorous work

AP, IB, and Advanced Mathematics

2026

- 64.1% of graduating BHHS seniors scored a 3 or higher on at least one AP exam AT ANY POINT during high school. Previous high was 49.9%

2027

- AP classes have 1485 students enrolled in classes.
- IB classes have 726 students enrolled, with 518 eligible to take the IB exam this year

**AP or IB
Enrollees by
grade level**

- 7th grade - 2 students (AP Calc AB and AP Calc BC)
- 9th grade - 8 enrollees
- 10th grade - 335 enrollees (mostly APUSH and AP Comp Sci Principles)
- 11th grade - 958 enrollees
- 12th grade - 908 enrollees

**Advanced
Mathematics
or Grade Up
Math**

- 56 students in grades 1-4 within the elementary buildings
- Two grade 4 and 19 grade 5 in Math 6 at their respective middle school
- 44 students in grades 6 and 7 grade up within their respective middle school
- 15 students are enrolled in Pre-AP Geometry with Statistics at the middle schools
- 67% of eighth grade students are enrolled in Algebra I (73% in Algebra I or higher)
- 10 students in grades 7 and 8 attend BHHS for a math/science combination including Honors Algebra 2, AP Calculus AB, AP Calculus BC, Chemistry, and Physics
- Approximately 14% of students in grades 1-8 participate in Grade Up or Advanced Math

Responding to Student Outcomes

Focus on core instruction: alignment in math courses, identification of students who need Tier 1 and Tier 2 supports in mathematics

Recognize advanced achievement:

- Establish Science Scholar and Social Science Scholar awards for juniors who reach the *Advanced* level on the M-STEP assessments. Students can include the distinction on college applications. (1.1)

Target mathematics support

- Use PSAT 10 and PSAT/NMSQT results to identify students who would benefit from a second-semester SAT mathematics preparation class. (1.1, 4.1)

Strengthen grade-level mathematics instruction

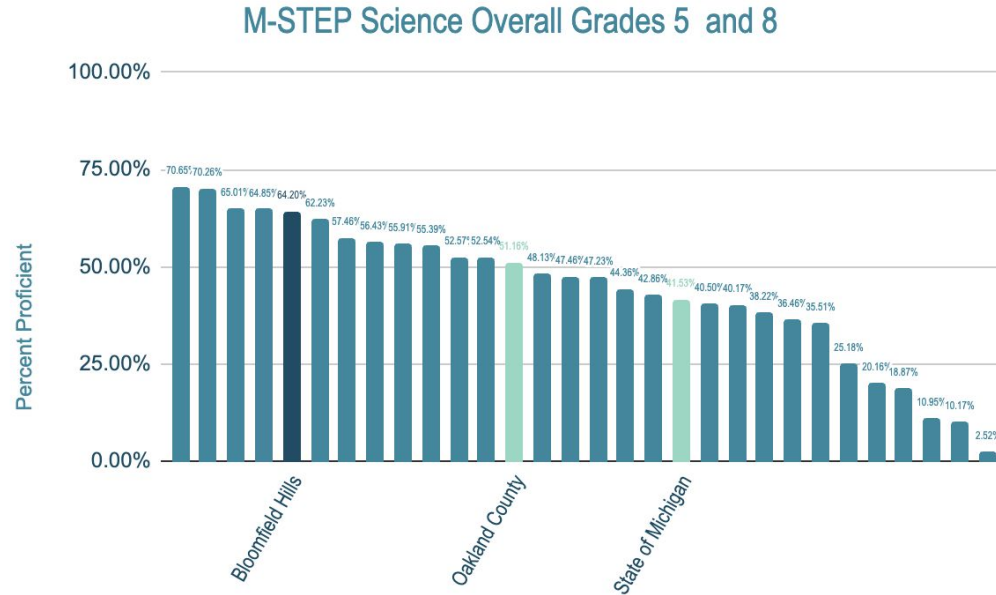

- Refine Algebra I, Geometry, and Algebra II lessons to include a skills block, instruction in new concepts, and embedded SAT preparation. (1.1)

Use the eight-block schedule strategically

- Continue exploring how the schedule can provide students with opportunities for exploration, academic support, and enrichment. (1.1, 4.1)

RE: Elementary Science - FOSS Approval

[Recommended Quote for 2026-2027 Approval: \\$121,559](#)

Bloomfield Hills Schools is seeking Board approval to adopt FOSS as the new science curriculum resource for the upper elementary grades. FOSS will provide students with engaging, hands-on science experiences that emphasize investigation, collaboration, and the application of scientific thinking.

Upper elementary staff are excited to begin implementing FOSS. Professional learning is planned for November to help teachers prepare for implementation and support a strong, consistent approach to science instruction across the upper elementary grades.

The 2026-2027 quote is approximately \$121,559 and includes five years of teacher and student digital access, along with two full days and one half-day of professional learning at no additional cost.

[Recommended Quote for Approval](#)

Re: Request to Adopt Policy 6008: Electric Bicycles, Electric Motorcycles, Electric Scooters, and Personal Motorized Mobility Devices

Recommended Motion:

Two recommended motions:

I move that the Board of Education, pursuant to Board Policy 1003, waive the first reading of Policy 6008, as presented.

I move that the Board of Education adopt Board Policy 6008: Electric Bicycles, Electric Motorcycles, Electric Scooters, and Personal Motorized Mobility Devices, as presented.

Background Information:

Policy 1003: The Board will, by a majority vote, adopt or amend Bylaws and Policies after readings at two separate Board meetings. The Board may, by a majority vote of members elected and serving, waive a first reading.

The Board delegates to the Superintendent the authority to make non-substantive, clerical changes or correct scribes' errors in the Policies without Board of Education approval. Such changes will not be effective for a period of one month from the date they are provided to the Board.

Policy 6008: See attached

Policy_6008___ELECTRIC_BICYCLES___ELECTRIC_MOTORCYCLES___ELECTRIC_SCOOTERS___AND_PERSONAL_MOTORIZED_MOBILITY_DEVICES.pdf	Policy 6008

**Policy 6008: ELECTRIC BICYCLES, ELECTRIC MOTORCYCLES, ELECTRIC SCOOTERS,
AND PERSONAL MOTORIZED MOBILITY DEVICES**

Students in Pre K–12 are prohibited from riding, operating, transporting, bringing, or possessing an electric bicycle, electric motorcycle/e-moto, electric scooter, or other similar personal motorized mobility device on District property.

Students may not use such devices as a means of transportation to or from school when doing so requires the device to enter, cross, be parked, stored, or otherwise be present on District property.

For purposes of this policy, the prohibition applies regardless of whether the student is:

- operating the device;
- riding as a passenger;
- walking, pushing, or carrying the device;
- transporting the device onto or across District property

This policy applies to electric bicycles, including Class 1, Class 2, and Class 3 electric bicycles; electric motorcycles or “e-motos”; electric scooters; electric skateboards; hoverboards; and similar electrically powered or motorized personal transportation devices. This policy does not apply to: (i) a registered motor vehicle operated by a licensed driver; (ii) a wheelchair or manually powered mobility aid; or (iii) a device that remains in or on a motor vehicle.

District officials retain the discretion to consult with or refer the usage or possession of such device to law enforcement.”

Traditional bicycles and nonmotorized scooters are not prohibited by this policy but remain subject to District safety rules and administrative regulations.

The prohibition applies regardless of whether the device would otherwise qualify for lawful operation under Michigan law.

The District will make reasonable modifications to this policy for individuals with disabilities as required by law. The Superintendent or designee may also authorize a device for a specific educational program, District activity, or other legitimate District purpose.

The Superintendent is authorized to establish administrative regulations governing the operation of covered devices by parents, visitors, employees, and other individuals on District property when necessary to protect student and pedestrian safety.

The Superintendent shall notify students and families before enforcement of this policy begins, except that the prohibition applies immediately upon adoption.

Nothing in this policy limits the District's authority to establish traffic, parking, pedestrian, or other safety rules applicable to individuals using District property.

Re: Request to Name Robotics Center

Recommended Motion:

I move that the Board of Education, in accordance with Policy 6009, name the robotics center located at 3100 Lone Pine Road, West Bloomfield, Michigan, the Bloomfield Hills Schools Robotics Center, as presented.

Background Information:

Board Policy 6009

The Board of Education shall name or rename School District facilities and properties. Persons wishing to have a District property or facility named/renamed in a particular manner or named/renamed to honor or memorialize an individual significant to the District, shall submit a written request to the Board. The Board shall wait a minimum of three months before action is taken on the request.

In considering any such request the Board will consider the following criteria, in addition to other relevant considerations: (1) if the individual was (or is) a resident or staff member of the District; or (2) if the individual made a significant contribution to the well-being of the District, students, community, and/or society in general.

2026-2027 SUPERINTENDENT DISTRICT-WIDE SMART GOALS

GOAL	SMART GOAL	KEY MEASURES
1 - Strategic Plan Implementation & Student Outcomes	By June 30, 2027, the Superintendent will demonstrate Year 1 progress toward the Board-approved Strategic Plan, with emphasis on student achievement, growth, opportunity, and belonging, by establishing a District accountability scorecard, setting annual performance targets, monitoring results throughout the year, and implementing corrective action when priority measures are not on track.	* By October 31, establish baseline data and annual targets for a focused set of Board-level Strategic Plan and student-outcome KPIs. * Include measures addressing academic achievement/growth, rigor/opportunity, college and career readiness, achievement gaps, attendance, and student belonging. * Use District historical trends and comparable-district data, where available/applicable, to provide context for performance and annual targets. * Report progress using On Track, At Risk, and Off Track indicators. * For Off Track priority measures, identify the gap and contributing factors, establish interventions and responsible administrators, and monitor subsequent performance. * Provide a year-end assessment against annual targets and identify priorities requiring continued improvement in 2027–28.
2 - Stakeholder Engagement, Belonging & Communication	By June 30, 2027, the Superintendent will strengthen stakeholder engagement, belonging, and communication by establishing baseline stakeholder measures and annual targets, conducting structured engagement with students, staff, families, and community members, analyzing stakeholder feedback, and demonstrating how feedback informs District actions and continuous improvement.	* By November 30, establish baseline measures and annual targets for selected indicators of belonging, District communication, academic opportunity, school climate, responsiveness, and confidence in the District. * Conduct at least four structured District-level stakeholder engagement opportunities, beyond routine Board meetings and regular school/District events. * Across the annual process, provide participation opportunities for students, staff, parents/guardians, special education families, underrepresented/underserved populations, and the broader community. * Set a participation or response-rate target, as appropriate, before each major District-wide survey or engagement initiative and report actual participation against the target. * Following major District-wide engagement activities, summarize recurring themes, concerns, recommendations, and items requiring administrative review. * For priority issues warranting District action, identify the response, responsible administrator/department, anticipated timeline, and method for assessing the result. * Communicate District-level findings and resulting actions through appropriate channels to close the feedback loop. * Report year-end performance against selected stakeholder targets and examples of decisions, strategies, or practices informed by stakeholder feedback.
3 - Financial Stewardship, Forecasting and Sustainability	By June 30, 2027, the Superintendent will strengthen the reliability, transparency, and long-term sustainability of District financial operations by improving financial forecasting and budget-to-actual monitoring, identifying material financial risks and variances, aligning financial planning with enrollment and staffing trends, and maintaining financial performance consistent with Board-established expectations and priorities (Policy 5002).	* Establish annual indicators for revenue/expenditure performance, forecast accuracy, enrollment, staffing, fund balance, and identified financial risks. * Provide regular budget-to-actual reporting and explanations of material variances, including cause, projected year-end impact, and corrective action when appropriate. * Maintain a multi-year financial forecast incorporating enrollment, state funding, staffing, compensation/benefits, special education, contractual obligations, and fund-balance projections. * Compare actual enrollment and staffing against projections and identify adjustments when material variances occur. * Maintain a financial position consistent with Board Policy 5002 that requires a balanced budget and 15%-20% General Fund balance, unless the Board authorizes a strategic use of fund balance. * Demonstrate improvement in forecast accuracy, financial reporting, and identification of financial variances compared with the prior fiscal year.

COMMON ACCOUNTABILITY FRAMEWORK: BASELINE → TARGET → MONITOR → RESPOND → RESULT

Specific annual targets will be established after baseline data are validated. Evaluation considers performance against targets, progress from baseline, identification of gaps, corrective action for Off Track measures, and year-end results.

Bloomfield Hills Board of Education

Memo

To: Superintendent and Board of Education
From: Board of Education
Date: September 28, 2026
Re: Request to Appoint Voting Delegate for 2026 MASB Delegate Assembly

Recommended Motion:

I move that the Board of Education appoint (Name) to serve as the voting delegate representing Bloomfield Hills Schools at the Michigan Association of School Boards 2026 Delegate Assembly on October 15, 2026, at 7:00 p.m. in Lansing, Michigan.

Background Information:

The Michigan Association of School Boards is made up of at least one voting delegate from each of the school districts in the state. Delegates selected by boards of education across the state will decide MASB's positions on a wide variety of issues affecting education. The Delegate Assembly provides direction to the Association, its officers and committees through the adoption of resolutions. All resolutions adopted by the Delegate Assembly become the official position of MASB as interpreted and pursued by the Board of Directors. The Delegate Assembly also may vote on proposals to amend the MASB Articles of Incorporation and Bylaws.

The Delegate Assembly meets in the regular session at the MASB Annual Leadership Conference and in special sessions when called by the board. The Delegate Assembly established policy and rules for MASB through its resolutions and bylaws.

The Delegates Assembly, as its first order of business, shall establish and follow rules as recommended by the board or as amended and adopted by the delegates.

All delegates must be school board members. Only delegates and alternates named by your board may offer motions and vote on issues. However, all school board members may speak on the issues and participate in the debate.
